CSE471 : System Analysis and Design
Lab Assignment on Figma

Project Title : AbroadEase
Group Number : 05

Submitted by : Tasnim Rahman Moumita
Student ID : 22301689
Section: 02

Date : 18.07.2025

Instruction:

1. You have to design the interfaces of any two of your assigned features [according to the submitted requirement analysis] of your project using Figma. All members should work on the same project.

2. The designed interfaces can not be duplicated among group members. 3. Common interfaces like login form, sign up form, forget password, profile management page must be avoided.

4. You can check out this manual: Lab 03 : Figma Manual.docx 5.
